

Welcome to Saint Petersburg Toastmasters Club!

ABOUT TOASTMASTERS

We see leaders all around us – our parents, coaches, teachers, businessmen, mentors, managers. We admire them. We want to be like them. We want to be leaders. The good news is – it's possible, with the help of Toastmasters.

Toastmasters is a worldwide network of clubs that provide a fun and friendly learning environment in which club members can hone their communication and leadership abilities, developing as a person and gaining confidence in their own abilities. It helps us find our voice. We learn to speak before audiences – both with prepared speeches and in impromptu sessions. We learn to actively listen, to give valuable constructive feedback, and to receive it. In addition, we learn how to set goals, organise our time, plan the process of achieving them and monitor our own progress. Most importantly, we learn to overcome our fears.

In addition to the serious learning that takes place, you will make new friends in our club, in our district and within the greater Toastmasters community that now spans 16000 clubs in 149 countries. You will meet people from all ages and backgrounds, from different nationalities, all united in the common cause of “building a better you.” This is the fun of being part of Toastmasters.

LEARNING PATHS

Toastmasters offers a comprehensive education program for its members called Pathways, that is the foundation of the Toastmasters learning experience. Pathways is designed to help our members build the competencies they need to become better communicators and leaders. It offers an opportunity to build more than 300 unique competencies, along 11 specialised learning paths. The entire content is available online, so that members can learn anytime, anywhere.

OUR CLUB

Saint Petersburg Toastmasters Club is the first and only English-language Toastmasters public speaking club in Saint Petersburg. Our club was chartered in 2016. Members meet every two weeks on Saturdays from 1200 to 1400 hrs. You may learn more about our many activities from our website www.toastmasters-spb.ru and our social media: instagram ([instagram.com/spb_toastmasters](https://www.instagram.com/spb_toastmasters)), facebook ([facebook.com/toastmasters.spb.78](https://www.facebook.com/toastmasters.spb.78)), vkontakte (vk.com/tms_spb).

MEMBERSHIP

All individuals above 18 years of age irrespective of their nationality, colour, caste or belief system are eligible to be members. To ensure that an atmosphere of fun, volunteering, support and respect for each other is maintained, Saint Petersburg Toastmasters Club has a process to approve new member applications. Candidates with the right attitude, a strong desire to grow and eagerness to contribute are welcome to apply.
